

Meet Our PRE-AUTH TEAM

Our pre-authorization
team L-R: Rosalie,
Emily, Tina S.

“ I want to thank Princeton Radiology’s Pre-Authorization Team for making our lives easier. Our doctors are extremely impressed with how quickly your staff is able to obtain authorizations...many times they are back the same day! Your team is also a pleasure to deal with, which makes it an all-around positive experience. ”

—Rachel T.
